## PROJECTS

### Skillet & Shaker Recipe Finder

<https://github.com/BeardoMattix/recipe-finder>

<https://likearollinson.github.io/recipe-finder/>

- This project was a collaboration between myself and 3 other programmers. We wanted to build a site that used multiple APIs to help users find high-quality food and cocktail recipes.
- I was responsible for the structure and design of the website, as well as some of the internal logic for the API calls.
- Created using Bulma, Javascript, and JQuery
